2022-2023 COMPETITION YEAR NRL COLORADO COMMITMENT LETTER

September 1, 2022

Dear Participating School,

The Rocky Mountain Tooling and Machining Association (RMTMA) and NRL Colorado are excited to invite you to participate in the 2023 NRL Robotics Competition. The battle of the 'bots is scheduled for APRIL 15, 2023. Cash prize of \$500 for your school's program will be awarded to the team with the most innovative design!

In exchange for all the work, money, time and energy our industry partners, sponsors, and our organization are spending to ensure this is a great event, we ask that you:

- sign this letter
- have students complete a survey about manufacturing
- be present the day of the event; and
- plan at least one visit to a partnered machine shop during or after school hours.

Sincerely,

Amy Primrose

Amy Primrose, Co-Chair
NRL Colorado

.....

I, _____, am the instructor / mentor at _____, agree to participate in this year's NRL Colorado program for the 2022-2023 season. My team will be present the day of the competition whether or not our robot is complete to show support to all of the other competing schools, industry partners, and volunteers.

X _____ (sign) _____ (date)
