

# National Robotics League Colorado

A S.T.E.M. PROGRAM

COMPETITION: MAY 3, 2025

The NRL Colorado Robotics League is paving the way for future engineers and innovators through hands-on STEM education. Join us for our State Competition on May 3, 2025, at Cherry Creek Innovation Campus in Centennial, Colorado, featuring talented students from 6 school districts and 14+ teams. By sponsoring this event, your organization will gain valuable exposure and directly invest in developing critical STEM skills that drive industry innovation. Help us empower the next generation of STEM leaders and strengthen the manufacturing pipeline. Your support makes a difference!
