

RL Colorado Grand Champion

The NRL Grand Champion trophy is awarded to the team with the best overall performance at the competition and the winning team's school will receive \$500. The score will be calculated as follows.

Competition Score

The total points possible in the competition category equals the total number of teams competing in the tournament. The first place team will be awarded full competition points and each team there after will score one fewer points.

For example if 60 teams compete in the tournament, the first place team will be awarded 60 competition points, the second place team will be awarded 59 competition points, and so on.
